

## King's College Chapel: Easter Term 2012

The King's Quad, 6350 Coburg Road, Halifax

### Week of 20 February 2012, Quinquagesima

#### A note from the Wardens

As we as a chapel community embark on the mission trip to Saint John and prepare to enter the Lenten season, please take the time this week to pray with those participating in the mission. Let us as a community support and uphold them in the faithful hope that they, and we with them, might be transformed by means of witness, good work and God's grace. When Saints Andrew and Philip sought for the dwelling place of the Lord, Jesus answered them: "come and you will see." We pray that together we may also go and seek for him in whom we find our dwelling place.
